Karen,
If we asked them to come out at the last moment and have the funding; once the invoices are approved I don't see why they couldn't received payment.
What's your take?

Suddha, Yes, given the short notice EPA gave you, I am recommending paying that to the CO. That will be her final decision.

Please provide the names of those personnel, so Joanna can make a note of that when she is reviewing your invoice. (assuming the CO will approve this).

Thanks. Rich

Rich,
I wanted to let you know that to staff the May 2012 sampling at Dimock we will need to fly in up to 3 people from outside the Region. Due to the short notice of the sampling schedule, we likely will not be able to find reasonably priced flights. I

wanted to check with you to see if EPA will reimburse Techlaw for these charges.

Thanks,

Suddha
